BABIES BENEFIT BY NEW SKIN DISCOVERY

Stops Itching Immediately, Souther and Comforts the Little Ones. A demonstration of the efficacy

A demonstration of the efficacy and entire harmlessness of poslam, the new skin discovery, is afforded when it is applied to the tender skin of infants who are tortured with rashes, chafings, scaly aggracations. Its effect is soothing, the itching stops at once, the skin heals and is quickly restored to normal condition.

In the various forms of skin troubles in both infants and adults, poslam produces beneficial results from the first application. Eczema, acne, herpes, rash, tetter, etc., yield readily to its remarkable currative properties. Occasional applications will quickly banish pimples, blotches and complexion blemishes and will relieve and cure itching feet, scaly scalp, humors,
